Allocation of power generated by Ultra Mega Power Projects

101. MS. PRAMILA BOHIDAR: Will the Minister of POWER be pleased to state:

(a) whether Government have reworked the allocation of 16,000 MW from four Ultra Mega Power Projects;

(b) if so, the details thereof, indicating the share of Orissa; and

(c) how far this new allocation will improve power supply in rural sector in Orissa?

THE MINISTER OF POWER (SHRI SUSHILKUMAR SHINDE): (a) to (c) According to the allocation agreed with the States in respect of four Ultra Mega Power Projects (UMPP) *viz* Sasan (Madhya Pradesh), Mundra (Gujarat), Krishnapatnam (Andhra Pradesh) and Orissa UMPP, the state of Orissa has been allocated 1300 MW from the proposed UMPP to be developed in Orissa. Initiation of bidding process in respect of Ultra Mega Power Project in Orissa is contingent upon tying up of necessary inputs by the State Government. Once the project is on ground, decision with regard to sector-wise supply from the allocated power rests with concerned distribution utilities.

Ranking of Indian Journals

102. SHRI SANTOSH BAGRODIA:
MISS MABEL REBELLO:

Will the Minister of SCIENCE AND TECHNOLOGY be pleased to refer to the answer to Unstarred Question 1297 given in the Rajya Sabha on the 4th December, 2006 and state:

(a) the top three journals with highest impact factors in their respective disciplines covered in Thomson-ISI database;

(b) the ranking of the Indian Journals in their respective disciplines in the Thomson-ISI database; and

(c) the effect of the steps taken to enhance the ranking of Indian Journals and what was the rankings of Indian Journals during the last three years?

THE MINISTER OF SCIENCE AND TECHNOLOGY (SHRI KAPIL SIBAL): (a) and (b) Discipline-wise details for the Highest Impact factors Journals alongwith the ranking of Indian Journals in their respective disciplines in the Thompson-ISI database is detailed in Statement-I (*See* below).

(c) The ranking of some journals has increased during the last three years due to various efforts being made to improve the impact factor of these journals as detailed in Statement-II.
